**Often The Kidneys Are
Weakened by Over-Work.**
 Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

Overland

A Big, Fine, Five-Passenger Touring Car for Only \$900

HERE is an automobile. The very car you have been wanting at a price that does not make you dig too deep. Just the size you want, too—big and roomy enough for the whole family. Powerful enough to do anything you want it to and more speed than you will ever care to use. It is the sort of car you expected to pay around \$1250 for.

And this car is so well made. Heavy drop forgings, staunch pressed steel frame, F. & S. annular ball bearings in the transmission (the kind used on the highest priced cars in the world)—fore-doors, with all handles and levers inside—a magnificent body, trimmed with good leather and hair—in fact, all that you want in a car. The car is good and fine all the way through.

It is fact that no other maker can produce this car to sell at this price without losing money. This year the Overland Company will sell over 20,000 cars. This enormous production (which is the greatest of its kind in the world) makes this low price possible.

Let us show you this car at once. We want to take you for a ride. See how silent and comfortable it runs. No careful buyer would think of making an automobile investment without first considering what we know to be the greatest value on the market today.

Catalogue is ready. It is bigger, better and handsomer than ever. Stop in and get a copy today.
